HT PLUG & SOCKET / COUPLERS

Salient Features :

- High grade aluminum / cast-iron / steel used.
- Will not permit accidental disconnection.
- Variable conductor size to suit different ratings.
- Portable cable connection.
- Interchangeable (for similar ranges).
- Totally enclosed when coupled.
- Silver plated contacts - higher current ratings.

Technical Specifications :

- 6.6 KV 200 / 400 amps 5 / 6 pins.
- 3 pins suitable for 200 / 400 amps.
- 2 / 3 pins suitable for 25 amps.

All components in couplers of similar capacity are completely interchangeable. High quality neoprene rubber is used to ensure good sealing between couplers ensuring them weather proof when coupled.
